

READY FOR BUSINESS

The Bishop's Lodge Resort and Spa can accommodate a wide variety of conferences from intimate board meetings to an exclusive use of the entire resort for corporate and incentive groups. With a variety of meeting spaces, totaling 8,000 square feet, you'll find the right size room for any size group. Our state of the art conference center offers the

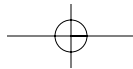

READY FOR BUSINESS

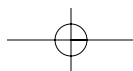

latest in technology, including video conferencing and high speed internet access. In addition, there are several deluxe suites that will comfortably house a small group. Our conference services department will work with you from the early planning stages through the successful completion of your meeting. Breakout rooms and intimate outdoor areas are perfect for informal brainstorming sessions, and acres of lawns can be used for special events and activities.

The public reception areas in the main lodge are bright, warm and rich with traditional southwestern detail and incorporate the warmth and charm of a southwestern living room. The guestrooms are all housed in authentic lodges and are unique, comfortable and charming.

A day of business begins with a lavish breakfast buffet in the main lodge dining room, or an attractive continental breakfast served in your meeting room. The dining room is easily divided into separate areas for banquets and private dining. Our award winning culinary team will craft a custom menu for your group, or choose from our extensive catering selections. Indoor and outdoor reception areas can accommodate special parties and events, including cocktail receptions, cowboy cookouts and Mexican fiestas. Our own private mountain campsite is located on our "Mesa Vista" with fabulous views, and is a great spot for trail ride breakfasts or sunset barbecues. This venue can be reached by foot, horseback or hotel van.

The Bishop's Lodge features an abundance of on-site facilities for your group's recreation, relaxation, and enjoyment.

TIME TO UNWIND

Our stables offer guided horseback trips into the canyons and foothills of the Sangre de Cristos, with horses for both novice and accomplished riders. Cowboy cookouts provide a hearty taste of the Old West. Hikers will love the nature trails just steps from their door, and birdwatchers may encounter over 50 species during their visit.

Secluded from the Main Lodge area, a skeet and trap shooting range welcomes everyone from first-timers to crack shots. Qualified instructors will help you take aim and stay on target!

After a day of business meetings, it's a treat to relax in the Lodge's heated pool or Jacuzzi. Or you may choose a work-out in our fitness center or a rejuvenating treatment at the SháNah Spa and Wellness Center. For tennis buffs, The Bishop's Lodge offers two all weather tennis courts, a resident teaching pro, and pro shop.

Nearby seasonal recreation includes whitewater rafting, hot air ballooning, and alpine skiing. Several 18-hole golf courses are just minutes away from the Lodge.

Just a short drive from The Bishop's Lodge Resort and Spa, you can visit the Taos Pueblo, the Anasazi ruins at Bandelier, the Sanctuario at Chimayó, or the once-secret Los Alamos National Laboratory.

And the Lodge's complimentary shuttle makes it easy to get to the Santa Fe Ski Basin during the ski season or to take in the shopping and sightseeing just minutes away in old Santa Fe.
