Summer 'City Club' membership offered at Bishop's Lodge

Santa Fe, NM – In response to local interest in use of amenities at Bishop's Lodge Ranch Resort & Spa, Bishop's Lodge is now offering Summer City Club memberships.

"We are now offering summer memberships for April 1 – October 1 and include use of the pool, the poolside hot tub, tennis courts, the fitness center and one fitness class per day, and all poolside activities," says Recreation Director Josh Belcher. "It's a great way to take advantage of the grounds and amenities just 3 miles from downtown."

As with the standard City Club membership, summer membership includes a discount of 15% at the spa, stables, restaurant, pool bar, gift shop, kids' camp, and on tennis equipment and room nights.

"We have the largest outdoor hotel pool in Santa Fe," says Belcher. "Along with the poolside Sunflower Bar and Grill that is open for the summer months, the summer membership promises to be a popular program."

Summer memberships are \$900 for a single, \$1,500 for a couple and \$2,100 for a family (parents and immediate minor family members only).

A referral benefit is also being offered. When a member refers a friend the member receives an additional month of membership for every new member.

Ranked by **Travel & Leisure magazine** as one of America's premier retreats, the Bishop's Lodge Ranch Resort & Spa offers resort-style family vacations, weddings, and conference facilities.

Bishop's Lodge Ranch Resort & Spa is managed by Prism Hotels & Resorts whose clients also include Marriott, Hilton, Radisson, Doubletree, and Holiday Inn. To make a resort or spa reservation, call 800-732-2240 or visit bishopslodge.com.
