Bishop's Lodge honored with Smart Meetings' Platinum Award for 2008

Santa Fe, NM – For four years running, Bishop's Lodge Resort & Spa has captured the coveted Platinum Choice Award. The award is hosted by the national publication Smart Meetings Magazine, and selected by readers.

Only four New Mexico properties were among the 112 winners named from the 300 nominations for the 13 western United States, Canada and Mexico. Bishop's Lodge is one of only two Platinum Award winners in Santa Fe.

Readers are asked to recognize properties with exceptional ambience, amenities, service and technology. The magazine's circulation is more than 30,000. Winners were honored in the December Issue of Smart Meetings Magazine, which is also available at www.smartmtgs.com.

With beautifully decorated, state-of-the-art meeting rooms, scenic views, professional catering, and ranch-style accommodations, the historic Bishop's Lodge is a perfect location for business meetings and corporate retreats.

Meeting spaces include four conference rooms totaling 8,000 square feet, fully wired with high-speed Internet access. Outdoor spaces are available for receptions and activities. Business support services are available.

Ranked by Travel & Leisure magazine as one of America's premier retreats, the Bishop's Lodge Resort & Spa offers resort-style family vacations, weddings, and conference facilities.
