Subject: Thank you!

Hi Nancy – I am very late in sending this note, but I did want to say THANK YOU to you and your staff for helping me with the Genzyme luncheon a couple of weeks ago. Everything was perfect – the food was excellent, service was flawless. Uriah was extremely helpful in making sure everything went very smoothly. Everyone seemed to enjoy themselves, and I had at least two people tell me they planned to come back with their spouses for a dinner!

Please pass our thanks on to your staff – they were terrific!

Warm regards
Mary Sorvig
