Rich,

Suzanna and I wanted to personally thank you and your staff for your efforts this past Friday. You put on a great barbecue and everyone had a wonderful time.

We feel so lucky to know people like you who take an active interest in their community and find ways to "pay it forward".

If you find some time we would love to have you come and see what we do at Las Campanas Compadres.

Best,

Lawrence & Suzanna Becerra
