Dear Mr. Verrani,

We wanted to offer our deepest thanks and gratitude in helping us design the most successful Annual Meeting Edible Communities Publications has had to date. With our headquarters being located in the heart of Santa Fe, it was an honor to host each of our 51 magazines on the extensive and beautiful grounds of Bishop's Lodge. They are a perfect reflection of the spirit of Santa Fe.

Coordinating such an event is by no means an easy task with all of the intricacies needing the utmost attention to detail. Your staff, from the very top down, was exceptional. Working with Maureen O'Dowd and Claudia Francis on planning each portion of the conference from the meeting, cocktail party and banquet to the room reservations and member management was an absolute pleasure. Additionally, your staff that worked the events were attentive, energetic and a true asset to your team.

Thank you for making this meeting one that we hope to replicate year after year.

Best,
