Dear Maureen,

I wanted to thank you and all the staff for helping us with the 32nd Annual Seminar on Neonatal-Perinatal Medicine. The meeting was well organized and the staff was superb in helping with all aspects of the meeting. All agreed that the food was excellent this year, which you know is always important!

We look forward to our 33rd Annual Meeting next year. Please thank all the staff on my behalf. Have a great summer.

Sincerely,

Jim Conto, MD
